

NN, Inc. Names Scott Weinstein Chief Information Officer and Robbie Atkinson Corporate Treasurer and Investor Relations Manager

September 4, 2014

JOHNSON CITY, Tenn., Sept. 4, 2014 /PRNewswire/ -- **NN, Inc.** (Nasdaq: NNBR) announced today that effective immediately Scott Weinstein and Robbie Atkinson have joined the Company as Chief Information Officer and Corporate Treasurer and Manager of Investor Relations, respectively. Mr. Weinstein who will be responsible for leading NN's global IT function will report to Richard Holder, President and Chief Executive Officer. Mr. Atkinson will be responsible for assisting in both the planning and management of NN's treasury activities and the coordination of the investor relations function. He will report to Jim Dorton, Sr. Vice President and Chief Financial Officer for treasury functions and Will Kelly, Vice President and Chief Administrative Officer for Investor Relations activities.

Richard Holder, President and Chief Executive Officer, stated, "We are pleased to have both Scott and Robbie join our Company. Their broad experience and leadership in their respective fields will make them valuable members of our team as we continue to build the corporate infrastructure that will support our strategic growth plans."

From 1997 Mr. Weinstein served in numerous capacities at Eaton Corporation, a global technology leader in power management solutions. Most recently he was IT Director for the Pittsburgh, PA and Knoxville, TN locations. While there he was responsible for strategic planning, deployment and process support of related IT systems. Earlier, he held various IT management positions at the company. Prior to joining Eaton, Mr. Weinstein was with Westinghouse Electric.

Prior to joining NN, Mr. Atkinson had been with Regions Bank, one of the nation's largest full service providers of consumer and commercial banking, wealth management, mortgage and insurance products and services since 2008. He most recently served as Vice President and Commercial Relationship Manager in Regions Corporate Bank Group where he was responsible for marquee corporate relationships, developing treasury management solutions and negotiating terms and conditions for new and renewal credit facilities. Prior to that position he served as Vice President of Business Services. Mr. Atkinson also served as a Project Coordinator for the Electrical Group of Eaton Corporation.

NN, Inc. manufactures and supplies high precision metal bearing components, industrial plastic and rubber products and precision metal components to a variety of markets on a global basis. Headquartered in Johnson City, Tennessee, NN has 25 manufacturing plants in the United States, Western Europe, Eastern Europe, South America and China.
