

NN Appoints New General Manager For Its Newly Acquired V-S Products Division

February 25, 2014

JOHNSON CITY, Tenn., Feb. 25, 2014 /PRNewswire/ -- **NN, Inc.** (Nasdaq: NNBR) announced today that Eric Schriver has joined the Company as General Manager of its recently acquired V-S Products Division, a manufacturer of precision metal components with operations in Wheeling, Illinois and Juarez, Mexico. Mr. Schriver's responsibilities will include the integration of the newly acquired assets and the execution of the Company's strategic growth plan for V-S Products. He will report to J.R. Widders, Vice President and General Manager of NN's Precision Metal Components Group.

Rich Holder, President and Chief Executive Officer, stated, "We are pleased to name Eric as General Manager of our V-S Products Division, the first acquisition in the execution of our strategic business plan. He brings over 32 years of relevant, diverse experience and proven success in various roles in engineering and sales as well as leadership positions in sales and marketing and general management. We look forward to his contributions."

Prior to joining NN, Mr. Schriver most recently served as Vice President – Sales and Marketing – Americas for Morgan Advanced Materials and Technologies, a global leader in the manufacture of carbon and graphite precision machined products serving the aerospace, electrical motor, mining, railroad and seal industries. Prior to that position, he served as Vice President – Sales and Marketing of Therm-O-Disc, Inc., a division of Emerson Electric and as President and General Manager of Coltene Whaledent, Inc.

NN, Inc. manufactures and supplies high precision metal bearing components, industrial plastic and rubber products and precision metal components to a variety of markets on a global basis. Headquartered in Johnson City, Tennessee, NN has 12 manufacturing plants in the United States, Western Europe, Eastern Europe, Mexico and China. NN, Inc. had sales of US \$370 million in 2012.
